

**Girls 18s National  
Clay Court Championships  
2018 at LTP Tennis Club  
Mt. Pleasant, SC**

CHARLESTON, SC Women's Pro Tennis  
A USTA Pro Circuit Event

**Be a part of the PATHWAY TO GREATNESS IN TENNIS!**

Charleston is not only one of the most popular cities in the United States right now but also a true TENNIS HOT SPOT. With the WTA Volvo Car Open on Daniel Island, the Girls 18s National Championships, the \$80K and \$25K USTA Womens Pro Circuit Events at LTP Tennis Club in Mt. Pleasant, SC we are the only place in the United States to host the true **PATHWAY TO GREATNESS IN TENNIS!** Not only provide these tournaments the opportunity for these fine young women to pursue their dream of professional tennis but also put these events Charleston in the spotlight of the tennis world in the USA. The events are not only extensively covered by the local newspaper but even more through the social media platforms of the ITF, the USTA and its sections and through our own social media accounts. The USTA social media accounts alone have several hundred thousands of followers.

The USTA Pro Circuit, the largest developmental tennis circuit in the world, is the pathway to the US Open, the French Open and tour-level competition for aspiring tennis players and a frequent battleground for established professionals. Many of today's top women and men competing on the WTA and ATP World Tour started their professional tennis careers by playing on the USTA Pro Circuit, including Sam Querrey or Angelique Kerber and Andy Murray, who were ranked No. 1 in the world in 2017!

Special events during the tournament such as **KIDS' DAY MAKE FOR A SPECIAL EVENT!**

For many children, attending a Kids' Day event at a National Junior Championship or a USTA Pro Circuit tournament is their first exposure to tennis. Kids' Days not only help introduce children to tennis but make for some great memories.

Even more reasons to be a sponsor:

- Tennis viewership has increased 145% over the last 10 years
- Attendance has grown by 43% over the last 10 years
- Participation has grown by 46% over the last 10 years
- Attendees range from 28-65 years of age and have an average household income of \$150K
